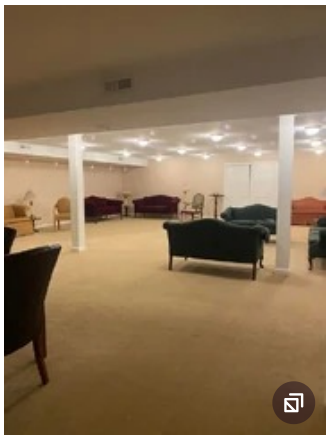
Level 120: Furniture Collection



Level 120 presents itself as a series of interconnected rooms of varying appearance, shape, and size, all filled with a variety of unique furniture items. These furniture items vary in colour, shape, and function – items such as couches, tables, chairs, or desks, for example, may be found while wandering around the level. The densities of each item in the room can vary – some rooms may be nearly sparse, whereas others can be completely [illegible] with the furniture. The floors, walls, and ceiling of this [illegible] colours such as beiges or [illegible] throughout the rooms, [illegible] tures besides the furniture that exist within the level: vents, round lights, and power outlets are some such.
